**MEDIA ADVISORY – TOMORROW IN DAUPHIN COUNTY – Shapiro
Administration to Cut Ribbon on Modernized Office of State Inspector
General Space at Forum Place**

Harrisburg, PA – Tomorrow, **Department of General Services Deputy Secretary Cathy Califano** and **State Inspector General Michelle Henry** will unveil the Office of State Inspector General's newly renovated workspace at Forum Place. The ribbon-cutting marks another major milestone for the Shapiro-Davis Administration's [Space Optimization Utilization Project \(SOUP\)](#), an ongoing effort to reduce leased space, improve workplace quality, and deliver significant long-term savings.

The **Shapiro Administration's** SOUP initiative is the Commonwealth's first comprehensive review of its real estate portfolio to improve operational efficiency. SOUP will enhance the use of state-owned properties, provide modern, flexible workspaces for employees, drive long-term efficient use of real estate, and deliver more centralized, convenient service centers for taxpayers.
